

**In the United States District Court
for the Southern District of Georgia
Savannah Division**

UNITED STATES OF AMERICA,

v.

CR 417-115-1

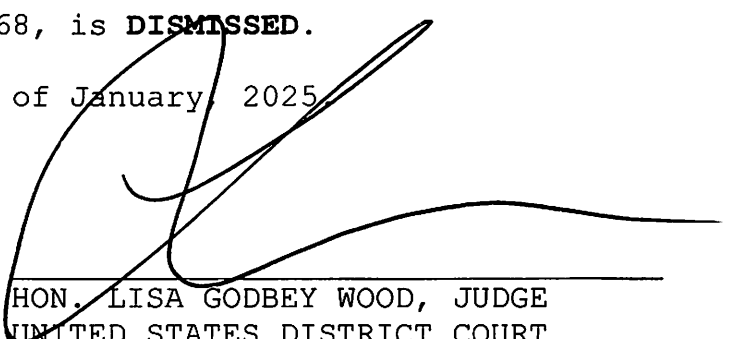

DARRYL WASHINGTON,

Defendant.

ORDER

Before the Court is Defendant Darryl Washington's "Letter/Motion of Inquiry," which the Court construes as a motion for sentence reduction. Dkt. No. 68. Therein, Defendant seeks relief pursuant to "the retroactive . . . 18:922(g)(1) which goes into effect Feb. 2025." Id. The Court gleans that Defendant is referencing a proposed amendment to the U.S. Sentencing Guidelines that could impact the definitions of "crime of violence" and "controlled substance offense," both of which may impact sentencing for 18 U.S.C. § 922(g)(1) convictions. At this time, however, the amendment has not been adopted. Therefore, Defendant's motion, dkt. no. 68, is **DISMISSED**.

SO ORDERED, this 29 day of January, 2025.

HON. LISA GODBEY WOOD, JUDGE
UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF GEORGIA
